

Outing Rules & Regulations

Notice to Competitors

- FORMAT** – Format unless otherwise noted will be a four player scramble for shotgun groups. Smaller groups may have other formats for their groups. When putting, an automatic 2-putt rule is in effect. This will speed up the pace of play for your event.
Ties: Ties will be broken by a match of cards.
- PACE OF PLAY** – Pace of Play expectation for all outings is 4 hours and 30 minutes. If a group falls behind, they will be given a warning to catch the group in front of them within 3 holes. If they cannot catch the group in front in the allotted time, they will be required to pick up their ball and skip a hole.
Modified Shotgun Starts – Due to other golfers being on the course all groups will be asked to do the same if they cannot keep a 4 hour and 30 minute pace.
- OUTSIDE COOLERS** – Golfers are not allowed to bring any coolers onto the golf course.
*In accordance with State of Connecticut legal requirements, all alcohol must be purchased from the Lyman Orchards Golf Club. **No outside alcohol may be brought onto the golf course premises.** The Tournament Chairperson is responsible to notify all participants of this policy. Please note that golfers are not allowed to have coolers with alcoholic beverages on their carts – they will be asked to remove them prior to teeing off.*
- COURSE ETIQUETTE** – All golfers are encouraged to repair all ball marks, replace all divots, and rake sand traps.
- PROPER CONDUCT** – The Company/Event Coordinator is responsible for the conduct of each participant. Furthermore, the Company/Coordinator is liable for damages to persons/person, the facility, and or equipment/golf carts as it relates to improper behavior. Damages are/may be billable to the Company/Coordinator as warranted.
