Since 1741

LYMAN® ORCHARDS

GROUP PICK YOUR OWN

VOTED CT'S BEST PICK YOUR OWN FARM

CONNECTICUT'S FAVORITE DAY IN THE COUNTRY!

As Connecticut's premier Pick-Your-Own (PYO) Farm, Lyman Orchards takes pride in growing the finest quality fruits for your family. In fact, Lyman Orchards has been commercially growing fruit on the same land overlooking the Connecticut River since 1741!

It's on this land that we invite you to enjoy being a farmer for a morning or afternoon and pick nearly 100 varieties of fruits from mid-June until the end of October including **Honeyberries, Strawberries, Raspberries. Blueberries, Jostaberries, Peaches, Nectarines, Apples, Pears, Asian Pears,** and **Pumpkins**. It's no wonder why we've been chosen as **CT Magazine's Best Pick-Your-Own Farm in Connecticut**!

Great activity for schools, team-building, camps, and organizations. ***See you at the farm!***
